

## ENVIRONMENT AND SECURITY INITIATIVE

### Provisional Agenda Side Event

### Kiev Environment for Europe Ministerial / Prague OSCE Economic Forum 21 May 2003

**Moderator: Mr. Robert Lamb, BBC Earth Report**

**18:30 – 18:35 Film Presentation – Television Trust for the Environment**

*Through a compelling visual presentation with highlights from interviews, this brief film underlines the importance of the links between environment and security, with a particular focus on the regions of SE Europe and Central Asia, concluding by stressing the opportunities for building peace through cooperation on shared environmental concerns.*

**18:35 – 18:50 Introductory Remarks**

Brief presentations from each of the lead agencies on the motivations for the initiative ( 5 minutes each).

- UNDP – Mark Malloch Brown, Administrator (from Kiev by Video link)
- UNEP – Klaus Topfer, Executive Director (from Kiev by Video link)
- OSCE - Ambassador Daan Everts, Personal representative of the CiO

**18:50 – 19:10 Environment & Security in SE Europe and C Asia**

Brief presentations from Ministers and NGO representatives on key links in their regions

- Anjelka Mihajlova, Minister of Environment, Serbia and Montenegro
- Usmonkol Shokirov, Minister of Nature Protection, Republic of Tajikistan

**19:10 – 19:30 Q&A with audience and amongst panellists**

- What are key concerns?
- To what extent are current initiatives addressing these?
- What role can initiatives like ENVSEC play in addressing these?
- What are hopes for the future?
