BETWEEN

**THE GOVERNMENT OF THE HONG KONG SPECIAL ADMINISTRATIVE
REGION OF THE PEOPLE'S REPUBLIC OF CHINA**

AND

THE GOVERNMENT OF THE REPUBLIC OF CHILE

The Government of the Hong Kong Special Administrative Region of the People's Republic of China ("the HKSAR"), having been duly authorised to conclude this Investment Agreement by the Central People's Government of the People's Republic of China, and the Government of the Republic of Chile ("Chile") (together "the Parties"),

Building on the Free Trade Agreement between the Parties done on 7 September 2012 ("the FTA");

Pursuant to Article 19.6 (Future Work Programmes) of the FTA and the Exchange of Notes, which constitutes an agreement on the negotiation of this Investment Agreement, on 7 September 2012; and

Reaffirming that, in accordance with Article V.2 of the *General Agreement on Trade in Services* ("GATS") contained in Annex 1B to the *Marrakesh Agreement Establishing the World Trade Organization*, done at Marrakesh on 15 April 1994 ("WTO Agreement"), this Investment Agreement is part of a wider process of economic integration and trade liberalisation between the Parties, initiated by the FTA;

Have agreed as follows:

Among such instruments that do not constitute an asset that has the characteristics of an investment are those that do not create any rights protected under the Party's law. For greater certainty, the foregoing is without prejudice to whether any asset associated with such instruments has the characteristics of an investment.

³ For greater certainty, the Parties understand that, for the purposes of the definitions of “investor of a non-Party” and “investor of a Party”, an investor “attempts to make” an investment when that investor has taken concrete action or actions to make an investment, such as channelling resources or capital in order to set up a business, or applying for a permit or licence.

Section B – Substantive Obligations

ARTICLE 2

Scope

1. This Agreement shall apply to measures adopted or maintained by a Party relating to:
 - (a) an investor of the other Party; and
 - (b) a covered investment.

2. A Party's obligations under this Agreement shall apply to measures adopted or maintained by any person, including a Government enterprise, or any other body, when it exercises any governmental authority delegated to it by the government or authorities of that Party.

3. This Agreement does not apply to:
 - (a) financial services, except as provided for in Article 22 (Investment Disputes in Financial Services);
 - (b) any act or fact that took place or any situation that ceased to exist before the date of entry into force of this Agreement;
 - (c) government procurement; and
 - (d) subsidies or grants provided by a Party, including government-supported loans, guarantees, and insurance.

ARTICLE 3

Relation to the FTA

1. Unless otherwise specified in this Agreement, provisions in the FTA shall not apply to this Agreement.
2. In the event of any inconsistency between this Agreement and the FTA, the latter shall prevail to the extent of the inconsistency, unless otherwise agreed by the Parties.

ARTICLE 4

Non-discriminatory Treatment as Compared with a Party's Own Investors⁴

1. Each Party shall accord to an investor of the other Party treatment no less favourable than that it accords, in like circumstances, to its own investors with respect to the expansion, management, conduct, operation and sale or other disposition of an investment in its area.
2. Each Party shall accord to a covered investment treatment no less favourable than that it accords, in like circumstances, to investments of its own investors with respect to the expansion, management, conduct, operation and sale or other disposition of an investment in its area.
3. For greater certainty, the concept of "expansion" in this Article shall not include the establishment or acquisition of an investment.

⁴ For greater certainty, whether treatment is accorded in "like circumstances" under Article 4 (Non-discriminatory Treatment as Compared with a Party's Own Investors) or Article 5 (Non-discriminatory Treatment as Compared with a Non-Party's Investors) depends on the totality of the circumstances, including whether the relevant treatment distinguishes between investors or investments on the basis of legitimate public welfare objectives.

ARTICLE 5

Non-discriminatory Treatment as Compared with a Non-Party's Investors

1. Each Party shall accord to an investor of the other Party treatment no less favourable than that it accords, in like circumstances, to investors of a non-Party with respect to the establishment, acquisition, expansion, management, conduct, operation and sale or other disposition of an investment in its area.
2. Each Party shall accord to a covered investment treatment no less favourable than that it accords, in like circumstances, to investments of investors of a non-Party with respect to the establishment, acquisition, expansion, management, conduct, operation and sale or other disposition of an investment in its area.
3. For greater certainty, the treatment referred to in this Article does not encompass any dispute resolution mechanisms, such as those in Section C (Settlement of Disputes between an Investor and the Host Party).

ARTICLE 6

Minimum Standard of Treatment

1. Each Party shall accord to a covered investment treatment in accordance with the customary international law minimum standard of treatment of aliens⁵, including fair and equitable treatment and full protection and security.
2. The concepts of “fair and equitable treatment” and “full protection and security” in paragraph 1 do not require treatment in addition to or beyond that which is required by

⁵ The customary international law minimum standard of treatment of aliens refers to all customary international law principles that protect the economic rights of aliens.

the customary international law minimum standard of treatment of aliens and do not create additional substantive rights.

3. A breach of another provision of this Agreement, or of a separate bilateral or multilateral agreement, does not establish that there has been a breach of this Article.

4. For greater certainty, the mere fact that a Party takes or fails to take an action that may be inconsistent with an investor's expectations does not constitute a breach of this Article, even if there is loss or damage to the covered investment as a result.

ARTICLE 7

Treatment in Case of Armed Conflict or Civil Strife

1. Notwithstanding Article 2.3(d) (Scope), each Party shall accord to investors of the other Party and to covered investments non-discriminatory treatment with respect to measures it adopts or maintains relating to losses suffered by investments in its area owing to armed conflict or civil strife.

2. Notwithstanding paragraph 1, if an investor of a Party, in a situation referred to in paragraph 1, suffers a loss in the area of the other Party resulting from:

- (a) requisitioning of its covered investment or part thereof by the latter's forces or authorities; or
- (b) destruction of its covered investment or part thereof by the latter's forces or authorities, if the destruction was not required by the necessity of the situation,

the latter Party shall provide the investor restitution, compensation or both, as appropriate, for that loss.

3. In this Article, “forces” in respect of the HKSAR means the armed forces of the People’s Republic of China.

4. Paragraph 1 shall not apply to existing measures relating to subsidies or grants that would be inconsistent with Article 4 (Non-discriminatory Treatment as Compared with a Party’s Own Investors) but for Article 2.3(d) (Scope).

ARTICLE 8

Senior Management and Boards of Directors

1. A Party may not require that an enterprise of that Party that is a covered investment appoint to a senior management position an individual of any particular nationality.

2. A Party may require that a majority of the board of directors, or a committee thereof, of an enterprise of that Party that is a covered investment be of a particular nationality or resident in the area of that Party, provided that the requirement does not materially impair the ability of the investor to exercise control over its investment.

ARTICLE 9

Performance Requirements

1. A Party may not, in connection with the establishment, acquisition, expansion, management, conduct or operation of a covered investment in its area, impose or enforce the following requirements, or enforce a commitment or undertaking:

- (a) to export a given level or percentage of a good or service;

- (b) to achieve a given level or percentage of domestic content;
- (c) to purchase, use or accord a preference to a good produced in its area, or to purchase a good from a person in its area;
- (d) to relate the volume or value of imports to the volume or value of exports or to the amount of foreign exchange inflows associated with that investment;
- (e) to restrict sales of a good or service in its area that the investment produces or provides by relating those sales to the volume or value of its exports or foreign exchange earnings;
- (f) to transfer technology, a production process or other proprietary knowledge to a person in its area⁶; or
- (g) to supply exclusively from the area of the Party a good that the investment produces or a service it supplies to a specific regional market or to the world market.

2. Without prejudice to Article 2.3(d) (Scope), a Party may not, in connection with the establishment, acquisition, expansion, management, conduct or operation of a covered investment in its area, condition the receipt or continued receipt of an advantage on compliance with the following requirements:

- (a) to achieve a given level or percentage of domestic content;
- (b) to purchase, use or accord a preference to a good produced in its area, or to purchase a good from a producer in its area;

⁶ For greater certainty, a measure that requires a covered investment to use a particular technology to meet generally applicable health, safety or environmental requirements is not inconsistent with subparagraph 1(f).

- (c) to relate the volume or value of imports to the volume or value of exports or to the amount of foreign exchange inflows associated with that investment; or
 - (d) to restrict sales of a good or service in its area that the investment produces or provides by relating those sales to the volume or value of its exports or foreign exchange earnings.
- 3.
 - (a) Paragraph 2 does not prevent a Party from conditioning the receipt or continued receipt of an advantage, in connection with a covered investment, on compliance with a requirement to locate production, supply a service, train or employ workers, construct or expand particular facilities, or carry out research and development, in its area.
 - (b) Subparagraph 1(f) does not apply if the requirement is imposed or the commitment or undertaking is enforced by a court, administrative tribunal or competition authority to remedy a practice determined after judicial or administrative process to be anti-competitive under the Party's competition law.
- 4. For greater certainty, paragraphs 1 and 2 only apply to commitments, undertakings or requirements set out in those paragraphs.
- 5.
 - (a) Subparagraphs 1(a), 1(b) and 1(c), and 2(a) and 2(b), do not apply to a qualification requirement for a good or service with respect to export promotion and foreign aid programmes.
 - (b) Subparagraphs 2(a) and 2(b) do not apply to a requirement imposed by an importing Party relating to the content of a good necessary to qualify for a preferential tariff or preferential quota.

6. For greater certainty, nothing in paragraph 1 shall be construed to prevent a Party, in connection with the establishment, acquisition, expansion, management, conduct or operation of a covered investment in its area, from imposing or enforcing a requirement, or enforcing a commitment or undertaking, to employ or train workers in its area provided that the employment or training does not require the transfer of a particular technology, production process or other proprietary knowledge to a person in its area.

7. For greater certainty, this Article does not preclude the imposition or enforcement of any requirement, commitment or undertaking between private parties, where a Party did not impose or enforce the same.

ARTICLE 10

Expropriation⁷

1. A Party may not expropriate a covered investment either directly or indirectly through measures having an effect equivalent to expropriation, except:

- (a) for a public purpose;
- (b) in accordance with due process of law;
- (c) in a non-discriminatory manner; and
- (d) on payment of compensation in accordance with paragraphs 2 and 3.

2. The compensation referred to in paragraph 1 shall:

- (a) be paid without delay;

⁷ For greater certainty, this Article shall be interpreted in accordance with Annex I (Expropriation).

- (b) be equivalent to the real value of the expropriated investment immediately before the expropriation took place (“date of expropriation”);
- (c) not reflect a change in value occurring because the intended expropriation had become known earlier; and
- (d) be fully realisable and freely transferable according to Article 11 (Transfers).

3. If the real value is denominated in a freely usable currency, the compensation paid shall be no less than the real value on the date of expropriation, plus interest at a commercially reasonable rate for that currency, accrued from the date of expropriation until the date of payment.

4. If the real value is denominated in a currency that is not freely usable, the compensation paid converted into the currency of payment at the market rate of exchange prevailing on the date of payment shall be no less than the real value on the date of expropriation, converted into a freely usable currency at the market rate of exchange prevailing on that date, plus interest at a commercially reasonable rate for that freely usable currency, accrued from the date of expropriation until the date of payment.

5. For greater certainty, this Article does not apply to the issuance of a compulsory licence granted in relation to intellectual property rights, or to the revocation, limitation or creation of an intellectual property right, to the extent that the issuance, revocation, limitation or creation is consistent with the TRIPS Agreement.

ARTICLE 11

Transfers⁸

1. Each Party shall permit all transfers relating to a covered investment to be made freely, and without delay, into and out of its area. Those transfers include:
 - (a) contributions to capital, including the initial contribution;
 - (b) profits, dividends, interest, capital gains, royalty payments, management fees, technical assistance and other fees, returns-in-kind and other amounts derived from the covered investment;
 - (c) proceeds from the sale of all or part of the covered investment or from the partial or complete liquidation of the covered investment;
 - (d) payments made under a contract entered into by the investor of the other Party or the covered investment, including payments made pursuant to a loan agreement;
 - (e) payments made under Articles 7 (Treatment in Case of Armed Conflict or Civil Strife) and 10 (Expropriation); and
 - (f) payments arising under Section C (Settlement of Disputes between an Investor and the Host Party).
2. Each Party shall permit transfers relating to a covered investment to be made in a freely usable currency at the market rate of exchange prevailing at the time of transfer.
3. Notwithstanding paragraphs 1 and 2, a Party may prevent or delay a transfer through the equitable, non-discriminatory and good faith application of its law relating to:

⁸ This Article is subject to Annex IV (Transfers - Chile).

- (a) bankruptcy, insolvency or the protection of the rights of a creditor;
- (b) issuing, trading or dealing in securities, futures, options, or derivatives;
- (c) a criminal or penal offence;
- (d) financial reporting or record keeping of transfers when necessary to assist law enforcement or financial regulatory authorities; or
- (e) ensuring compliance with an order or judgment in judicial or administrative proceedings.

4. Each Party shall permit transfers of returns-in-kind relating to a covered investment to be made as authorised or specified in a written agreement between the Party and a covered investment or an investor of the other Party.

5. Notwithstanding paragraph 4, a Party may restrict transfers of returns-in-kind in circumstances where it could otherwise restrict such transfers under this Agreement, including as set out in paragraph 3.

6. For greater certainty, this Article does not preclude the equitable, non-discriminatory, and good faith application of a Party's laws relating to its social security, public retirement, or compulsory savings programmes.

ARTICLE 12

Transparency

1. Each Party shall ensure that its laws, regulations, procedures, and administrative rulings of general application with respect to any matter covered by this Agreement are

promptly published or otherwise made available⁹ to interested persons and the other Party.

2. To the extent possible, each Party shall:

- (a) publish in advance any measure referred to in paragraph 1 that it proposes to adopt; and
- (b) provide interested persons and the other Party with a reasonable opportunity to comment on such proposed measures.

3. To the extent practicable, when introducing or changing the laws, regulations or procedures referred to in paragraph 1, each Party shall, in a manner consistent with its legal system, endeavour to provide a reasonable period between the date when those laws, regulations or procedures, proposed or final in accordance with its legal system, are made publicly available and the date when they enter into force.

4. To the extent possible, each Party shall notify the other Party of any actual or proposed measure that the Party considers might materially affect the operation of this Agreement or otherwise substantially affect the other Party's interests under this Agreement.

5. At the request of the other Party, a Party shall promptly provide information and respond to questions pertaining to any actual or proposed measure that the requesting Party considers might materially affect the operation of this Agreement or otherwise substantially affect its interests under this Agreement, regardless of whether the requesting Party has been previously notified of that measure.

6. Any notification, request, response or information under this Article shall be provided to the other Party through the relevant contact points established under the FTA.

⁹ Including through the internet or in print form.

7. The notification referred to in paragraph 4 shall be regarded as having been provided in accordance with paragraph 6 when the actual or proposed measure has been notified to the WTO in accordance with the WTO Agreement and copied to the contact point of the other Party.

8. Any notification, response or information provided under this Article shall be without prejudice as to whether the measure is consistent with this Agreement.

ARTICLE 13

Subrogation

1. If a Party, or any agency, institution, statutory body or corporation designated by the Party, makes a payment to an investor of the Party under a guarantee, a contract of insurance or other form of indemnity that it has entered into with respect to a covered investment, the other Party in whose area the covered investment was made shall recognise the subrogation or transfer of any rights the investor would have possessed under this Agreement with respect to the covered investment but for the subrogation, and the investor shall be precluded from pursuing these rights to the extent of the subrogation.

2. For greater certainty, the subrogated right or claim shall not be greater than the original right or claim of the investor.

ARTICLE 14

Taxation Measures

1. For the purposes of this Article, “designated authorities” means:

- (a) for Chile, the Undersecretary of the Ministry of Finance (*Subsecretario del Ministerio de Hacienda*); and

- (b) for the HKSAR, the Director-General of Trade and Industry or his authorised representative.
2. Except as provided in this Article, nothing in this Agreement shall apply to taxes and taxation measures.
3. Nothing in this Agreement shall affect the rights and obligations of a Party under any tax convention. In the event of an inconsistency between this Agreement and a tax convention, that tax convention shall prevail to the extent of the inconsistency.
4. In case an issue arises as to whether any inconsistency exists between this Agreement and a tax convention between the Parties, the issue shall be referred to the designated authorities. If the designated authorities decide to make a determination as to the existence and extent of any inconsistency, they shall do so within six months of the referral of the issue. No procedures concerning the measure giving rise to the issue may be initiated under Section D (Settlement of Disputes between the Parties) or Article 21 (Submission of a Claim to Arbitration) until the expiry of the six-month period. An arbitral panel or tribunal established to consider a dispute related to a taxation measure shall accept as binding a determination of the designated authorities made under this paragraph. If the designated authorities have not determined the issue within six months from the date of the referral, the tribunal or arbitral panel shall decide the issue.
5. Article 10 (Expropriation) shall apply to taxation measures. However, no investor may invoke Article 10 (Expropriation) as the basis for a claim if it has been determined pursuant to this paragraph that the taxation measure is not an expropriation. An investor that seeks to invoke Article 10 (Expropriation) with respect to a taxation measure must refer to the designated authorities, before it gives its notice of intent under Article 21 (Submission of a Claim to Arbitration), the issue of whether or not that taxation measure is an expropriation. If the designated authorities do not agree to consider the issue or, having agreed to consider it, fail to agree whether the taxation measure is an

expropriation within six months of the referral, the investor may submit its claim to arbitration under Article 21 (Submission of a Claim to Arbitration).

6. If, in connection with a claim by an investor of a Party or a dispute between the Parties, an issue arises as to whether a measure of a Party is a taxation measure, a Party may refer the issue to the designated authorities. A joint determination of the designated authorities shall bind a tribunal established under Section C (Settlement of Disputes between an Investor and the Host Party) or an arbitral panel established under Section D (Settlement of Disputes between the Parties). A tribunal or arbitral panel seized of a claim or a dispute in which the issue arises may not proceed until it receives the joint determination of the designated authorities. If the designated authorities have not determined the issue within six months from the date of the referral, the tribunal or arbitral panel shall decide the issue.

7. This Agreement does not require a Party to furnish or allow access to information which, if disclosed, would be contrary to the Party's law protecting information concerning the taxation affairs of a taxpayer.

ARTICLE 15

Investment and Environmental, Health or other Regulatory Objectives

1. Nothing in this Agreement shall be construed to prevent a Party from adopting, maintaining, or enforcing any measure otherwise consistent with this Agreement that it considers appropriate to ensure that investment activity in its area is undertaken in a manner sensitive to environmental, health or other regulatory objectives.

2. The Parties recognise that it is inappropriate to encourage investment by relaxing their measures related to environmental, health or other regulatory objectives. Accordingly, a Party should not waive or otherwise derogate from, or offer to waive or

otherwise derogate from, those measures to encourage the establishment, acquisition, expansion or retention in its area of an investment of an investor of the other Party.

ARTICLE 16

Corporate Social Responsibility

The Parties reaffirm the importance of each Party encouraging enterprises operating within its area to voluntarily incorporate into their internal policies those internationally recognised standards, guidelines and principles of corporate social responsibility that have been endorsed or are supported by that Party.

ARTICLE 17

Non-Conforming Measures

1. Article 4 (Non-discriminatory Treatment as Compared with a Party's Own Investors), Article 5 (Non-discriminatory Treatment as Compared with a Non-Party's Investors), Article 8 (Senior Management and Boards of Directors) and Article 9 (Performance Requirements) shall not apply to:

- (a) any existing non-conforming measure maintained by a Party;
- (b) the continuation or prompt renewal of any non-conforming measure referred to in subparagraph (a); or
- (c) an amendment to any non-conforming measure referred to in subparagraph (a) to the extent that the amendment does not decrease the conformity of the measure, as it existed immediately before the amendment, with Article 4 (Non-discriminatory Treatment as Compared with a Party's Own

Investors), Article 5 (Non-discriminatory Treatment as Compared with a Non-Party's Investors), Article 8 (Senior Management and Boards of Directors) and Article 9 (Performance Requirements).

2. Article 4 (Non-discriminatory Treatment as Compared with a Party's Own Investors), Article 5 (Non-discriminatory Treatment as Compared with a Non-Party's Investors), Article 8 (Senior Management and Board of Directors) and Article 9 (Performance Requirements) shall not apply to any measure that a Party adopts or maintains with respect to sectors, subsectors or matters, as set out in its schedule to Annex II (Reservations).

3. Article 5 (Non-discriminatory Treatment as Compared with a Non-Party's Investors) shall not apply to treatment accorded by a Party pursuant to agreements or arrangements set out in Annex III (Exceptions from Non-Discriminatory Treatment as Compared with a Non-Party's Investors).

4. In respect of intellectual property rights, a Party may derogate from Article 4 (Non-discriminatory Treatment as Compared with a Party's Own Investors), Article 5 (Non-discriminatory Treatment as Compared with a Non-Party's Investors) and Article 9.1(f) (Performance Requirements) in a manner that is consistent with the TRIPS Agreement.

ARTICLE 18

Exceptions

1. Provided that such measures are not applied in an arbitrary or unjustifiable manner, or do not constitute a disguised restriction on international trade or investment, nothing in this Agreement shall be construed to prevent a Party from adopting or maintaining measures, including environmental measures:

- (a) necessary to protect public morals or to maintain public order;¹⁰
- (b) necessary to ensure compliance with laws and regulations that are not inconsistent with the provisions of this Agreement;
- (c) necessary to protect human, animal or plant life or health; or
- (d) relating to the conservation of living or non-living exhaustible natural resources if such measures are made effective in conjunction with restrictions on domestic production or consumption.

2. This Agreement does not prevent a Party from adopting or maintaining measures for prudential reasons, such as:

- (a) protecting investors, depositors, financial market participants, policy-holders, policy-claimants, or persons to whom a fiduciary duty is owed by a financial institution;
- (b) maintaining the safety, soundness, integrity or financial responsibility of financial institutions; and
- (c) ensuring the integrity and stability of a Party's financial system.

Where such measures do not conform with the provisions of this Agreement, they shall not be used as a means of avoiding the Party's obligations under such provisions.

3. Notwithstanding Article 11.1 and 11.2 (Transfers), a Party may prevent or limit transfers by a financial institution to, or for the benefit of, an affiliate of or a person related to that institution, through the equitable, non-discriminatory and good faith application of a measure relating to maintenance of the safety, soundness, integrity or financial responsibility of financial institutions.

¹⁰ The public order exception may be invoked only where a genuine and sufficiently serious threat is posed to one of the fundamental interests of society.

4. This Agreement does not apply to non-discriminatory measures of general application taken by a central bank or monetary authority in pursuit of monetary and related credit or exchange rate policies. This paragraph shall not affect a Party's obligations under Article 9 (Performance Requirements) or Article 11 (Transfers).

5. For greater certainty, nothing in this Agreement shall be construed to prevent a Party from adopting or maintaining measures necessary to secure compliance with its laws or regulations that are not inconsistent with this Agreement, including those relating to the prevention of deceptive and fraudulent practices or to deal with the effects of a default on financial services contracts, subject to the requirement that such measures are not applied in a manner which would constitute a means of arbitrary or unjustifiable discrimination between the Parties or between a Party and a non-Party where like conditions prevail, or a disguised restriction on investment in financial institutions as covered by this Agreement.

6. This Agreement does not:

- (a) require a Party to furnish or allow access to information if that Party determines that the disclosure of this information would be contrary to its essential security interests;
- (b) prevent a Party from taking an action that it considers necessary to protect its essential security interests:
 - (i) relating to fissionable and fusionable materials or the materials from which they are derived,
 - (ii) relating to the traffic in arms, ammunition and implements of war and to such traffic and transactions in other goods, materials, services and technology undertaken directly or indirectly for the purpose of supplying a military or other security establishment,

- (iii) taken in time of war or other emergency in international relations,
 - (iv) relating to the implementation of policies or international agreements respecting the non-proliferation of nuclear weapons or other nuclear explosive devices; or
- (c) prevent a Party from taking any action pursuant to the obligations applicable to it under the *United Nations Charter* for the maintenance of international peace and security.

7. This Agreement does not require a Party to furnish or allow access to information which if disclosed would impede law enforcement or would be contrary to:

- (a) any of its laws;
- (b) personal data protection;
- (c) the confidentiality of the financial affairs and accounts of individual customers of financial institutions;
- (d) the confidentiality of information concerning particular investors or investments, the disclosure of which would prejudice legitimate commercial interests of particular investors; or
- (e) the public interest.

8. For greater certainty, in the course of a dispute settlement procedure under this Agreement:

- (a) a Party is not required to furnish or allow access to information protected under its competition law; and
- (b) a competition authority of a Party is not required to furnish or allow access to information that is privileged or otherwise protected from disclosure.

9. If a right or obligation in this Agreement duplicates one under the WTO Agreement, the Parties agree that a measure adopted by a Party in conformity with a waiver decision granted by the WTO pursuant to Article IX of the WTO Agreement is deemed to be also in conformity with this Agreement. Therefore, such conforming measure of either Party may not give rise to a claim by an investor of one Party against the other Party under Section C (Settlement of Disputes between an Investor and the Host Party).

ARTICLE 19

Denial of Benefits

A Party may, at any time, including after the institution of arbitral proceedings, in accordance with Section C (Settlement of Disputes between an Investor and the Host Party), deny the benefits of this Agreement to an investor of the other Party that is an enterprise of such other Party and to investments of that investor if the enterprise:

- (a) is owned or controlled by persons of either a non-Party or the denying Party; and
- (b) has no substantive business operations in the area of the other Party.

Section C – Settlement of Disputes between an Investor and the Host Party

ARTICLE 20

Consultations

1. In the event of an investment dispute, the claimant and the respondent shall initially seek to resolve the dispute through consultations, which may include, where this is acceptable to the disputing parties, the use of non-binding, third-party procedures, such as good offices, conciliation and mediation. Such consultations shall be initiated by a written request for consultations delivered by the claimant to the respondent, with the information specified in Article 21.2(a) and 21.2(b) (Submission of a Claim to Arbitration) set out therein.
2. The disputing parties shall endeavour to commence consultations within 30 days after receipt by the respondent of the request for consultations, unless the disputing parties otherwise agree.
3. The claimant shall provide the respondent, prior to the commencement of consultations, with information regarding the legal and factual basis for the investment dispute.
4. The place of consultations would be Hong Kong if the HKSAR is the respondent, or Santiago if Chile is the respondent, unless the disputing parties otherwise agree.
5. For greater certainty, the commencement of consultations shall not be construed as recognition of the jurisdiction of the tribunal.

ARTICLE 21

Submission of a Claim to Arbitration

1. If an investment dispute has not been resolved within six months of the receipt by the respondent of a request for consultations:
 - (a) the claimant, on its own behalf, may submit to arbitration under this Section a claim that:
 - (i) the respondent has breached an obligation under Section B (Substantive Obligations), other than an obligation under Article 12 (Transparency), Article 15 (Investment and Environmental, Health or other Regulatory Objectives), or Article 16 (Corporate Social Responsibility); and
 - (ii) the claimant has incurred loss or damage by reason of, or arising out of, that breach; and
 - (b) the claimant, on behalf of an enterprise of the respondent that the claimant owns or controls directly or indirectly, may submit to arbitration under this Section a claim that:
 - (i) the respondent has breached an obligation under Section B (Substantive Obligations), other than an obligation under Article 12 (Transparency), Article 15 (Investment and Environmental, Health or other Regulatory Objectives), or Article 16 (Corporate Social Responsibility); and
 - (ii) the enterprise has incurred loss or damage by reason of, or arising out of, that breach.

2. At least 90 days before submitting any claim to arbitration under this Section, a claimant shall deliver to the respondent a written notice of its intention to submit the claim to arbitration (“notice of intent”). The notice shall specify:
 - (a) the name and address of the claimant and, where a claim is submitted on behalf of an enterprise, the name, address, and place of constitution or organisation of the enterprise;
 - (b) for each claim, the provision of this Agreement alleged to have been breached and any other relevant provisions;
 - (c) the legal and factual basis for each claim; and
 - (d) the relief sought and the approximate amount of damages claimed.
3. With its notice of intent, a claimant shall deliver to the respondent evidence establishing that it is an investor of the non-disputing Party.
4. A claimant may submit a claim referred to in paragraph 1:
 - (a) under the UNCITRAL Arbitration Rules; or
 - (b) if the disputing parties agree, to any other arbitration institution or under any other arbitration rules.
5. The Parties may adopt supplemental rules of procedure to the arbitration rules applicable under paragraph 4 and these rules shall apply to the arbitration. The Parties shall promptly publish the supplemental rules of procedure that they adopt or otherwise make them available to interested persons.
6. A claim shall be deemed submitted to arbitration under this Section when the claimant’s notice of or request for arbitration (“notice of arbitration”):

- (a) referred to in the UNCITRAL Arbitration Rules, together with the statement of claim referred to therein, are received by the respondent; or
- (b) referred to under any arbitral institution or arbitration rules selected under paragraph 4(b) is received by the respondent.

A claim asserted by the claimant for the first time after such notice of arbitration is submitted shall be deemed submitted to arbitration under this Section on the date of its receipt under the applicable arbitration rules.

7. The arbitration rules applicable under paragraph 4 shall govern the arbitration except to the extent modified by this Agreement.

8. The claimant shall provide with the notice of arbitration:

- (a) the name of the arbitrator that the claimant appoints; or
- (b) the claimant's written consent for the Secretary-General to appoint the claimant's arbitrator.

9. If, following the submission of a claim to arbitration under this Section, the claimant fails to take any steps in the proceeding during six consecutive months, and if the disputing parties do not agree otherwise, the claimant shall be deemed to have withdrawn its claim and to have discontinued the proceedings. Thereupon, the claim shall be deemed not to have been filed under this Section and the authority of any tribunal constituted to hear that claim shall be deemed to have lapsed.

ARTICLE 22

Investment Disputes in Financial Services

1. Notwithstanding Article 2.3(a) (Scope), with respect to:

- (a) financial institutions of a Party; and
- (b) investors of a Party, and investments of those investors, in financial institutions in the respondent's area,

this Section shall only apply to claims that the respondent has breached an obligation under Article 10 (Expropriation) or Article 11 (Transfers). For greater certainty, Article 14 (Taxation Measures), Article 18 (Exceptions) and Article 19 (Denial of Benefits) shall also apply to an investment dispute where such claims have been made.

2. If a disputing party claims that an investment dispute involves measures adopted or maintained by the respondent relating to financial institutions of the non-disputing Party or investors of the non-disputing Party and their investments in financial institutions in the respondent's area, or where the respondent invokes Article 18.2, 18.3, 18.4 or 18.5 (Exceptions), the arbitrators shall, in addition to the criteria set out in Article 25 (Selection of Arbitrators), have expertise or experience in financial services law or practice, which may include the regulation of financial institutions.

3. If a claimant submits a claim to arbitration under this Section, and the respondent invokes Article 18.2, 18.3, 18.4 or 18.5 (Exceptions) as a defence, the following provisions of this Article shall apply:

- (a) the respondent shall, no later than the date the tribunal fixes for the respondent to submit its defence, or in the case of an amendment to the notice of arbitration, the date the tribunal fixes for the respondent to submit its response to the amendment, submit in writing to the authorities responsible for financial services of the non-disputing Party, as set out in Annex VII (Authorities Responsible for Financial Services), a request for a joint determination by the authorities of the respondent and the non-disputing Party on the issue of whether and to what extent Article 18.2,

18.3, 18.4 or 18.5 (Exceptions) is a valid defence to the claim. The respondent shall promptly provide the tribunal, if constituted, and the non-disputing Party a copy of the request. The arbitration may proceed with respect to the claim only as provided in paragraph 5¹¹;

- (b) the authorities of the respondent and of the non-disputing Party shall attempt in good faith to make a determination as described in subparagraph (a). Any such determination shall be transmitted promptly to the disputing parties and, if constituted, to the tribunal. The determination shall be binding on the tribunal and any decision or award issued by the tribunal must be consistent with that determination; and
- (c) if the authorities referred to in subparagraphs (a) and (b) have not made a determination within 120 days after the date of receipt of the respondent's written request for a determination under subparagraph (a), either Party may request the establishment of an arbitral panel under Section D (Settlement of Disputes between the Parties), to consider whether and to what extent Article 18.2, 18.3, 18.4 or 18.5 (Exceptions) is a valid defence to the claim. When the arbitral panel completes its final report in accordance with Article 17.10 (Report) of the FTA, it shall transmit the final report to the Parties and to the tribunal.

4. The final report of an arbitral panel referred to in subparagraph 3(c) shall be binding on the tribunal, and any decision or award issued by the tribunal must be consistent with the final report.

5. If no request for the establishment of an arbitral panel pursuant to subparagraph 3(c) has been made within 10 days of the expiration of the 120 day period referred to in

¹¹ For the purposes of this Article, "joint determination" means a determination by the authorities responsible for financial services of the respondent and of the non-disputing Party, as set out in Annex VII (Authorities Responsible for Financial Services).

subparagraph 3(c), the tribunal established under Article 21 (Submission of a Claim to Arbitration) may proceed with respect to the claim:

- (a) the tribunal shall draw no inference regarding the application of Article 18.2, 18.3, 18.4 or 18.5 (Exceptions) from the fact that the authorities have not made a determination as described in subparagraphs 3(a), 3(b) and 3(c); and
- (b) the non-disputing Party may make oral and written submissions to the tribunal regarding the issue of whether and to what extent Article 18.2, 18.3, 18.4. or 18.5 (Exceptions) is a valid defence to the claim. Unless it makes such a submission, the non-disputing Party shall be presumed, for the purposes of the arbitration, to take a position on Article 18.2, 18.3, 18.4. or 18.5 (Exceptions) that is not inconsistent with that of the respondent.

ARTICLE 23

Consent of each Party to Arbitration

1. Each Party consents to the submission of a claim to arbitration under this Section in accordance with this Agreement.
2. The consent under paragraph 1 and the submission of a claim to arbitration under this Section shall be deemed to satisfy the requirements of:
 - (a) Article II of the New York Convention for an “agreement in writing”; and
 - (b) Article 1 of the UNCITRAL Arbitration Rules.

ARTICLE 24

Conditions and Limitations on Consent of each Party

1. No claim may be submitted to arbitration under this Section if more than three years have elapsed from the date on which the claimant first acquired, or should have first acquired, knowledge of the breach alleged under Article 21.1 (Submission of a Claim to Arbitration) causing loss or damage to the claimant or the enterprise.

2. No claim may be submitted to arbitration under this Section unless:

(a) the claimant consents in writing to arbitration in accordance with the procedures set out in this Agreement; and

(b) the notice of arbitration is accompanied:

(i) for a claim submitted to arbitration under Article 21.1(a) (Submission of a Claim to Arbitration), by the claimant's written waiver; and

(ii) for a claim submitted to arbitration under Article 21.1(b) (Submission of a Claim to Arbitration), by the claimant's and the enterprise's written waivers,

of any right to initiate any proceeding before any court or administrative tribunal of either Party, or any other binding dispute settlement procedures, with respect to any measure alleged to constitute a breach of an obligation of the respondent under Section B (Substantive Obligations).

3. No claim may be submitted to arbitration under this Section if the claimant has initiated any proceeding before any court or administrative tribunal of either Party, or any other binding dispute settlement procedures, with respect to any measure alleged to constitute a breach of an obligation of the respondent under Section B (Substantive

Obligations). For greater certainty, if an investor elects to submit a claim before any court or administrative tribunal of either Party, that election shall be definitive and the investor may not thereafter submit the claim to arbitration under this Section.

4. Notwithstanding subparagraph 2(b), the claimant (for claims brought under Article 21.1(a) (Submission of a Claim to Arbitration)) and the claimant or the enterprise (for claims brought under Article 21.1(b) (Submission of a Claim to Arbitration)) may initiate or continue an action that seeks interim injunctive relief and does not involve the payment of monetary damages before a court or an administrative tribunal of the respondent, provided that the action is taken for the sole purpose of preserving the claimant's or the enterprise's rights and interests during the pendency of the arbitration.

ARTICLE 25

Selection of Arbitrators

1. Unless the disputing parties otherwise agree, the tribunal shall comprise three arbitrators, one arbitrator appointed by each of the disputing parties and the third, who shall be the presiding arbitrator, appointed by agreement of the disputing parties.

2. The Secretary-General shall serve as appointing authority for an arbitration in accordance with this Section.

3. If a tribunal has not been constituted within 75 days from the date that a claim is submitted to arbitration under this Section, the Secretary-General, on the request of a disputing party, shall appoint, in his or her discretion and, to the extent practicable, in consultation with the disputing parties, the arbitrator or arbitrators not yet appointed. The Secretary-General shall appoint, as the presiding arbitrator, a person who (a) does not have the nationality of either disputing party and who is not a permanent resident of either Party, unless the disputing parties agree otherwise; (b) has expertise or experience

in public international law, international investment law, or the resolution of disputes arising under international investment agreements; (c) is independent of, is not affiliated with, and does not take instructions from, either Party or the claimant; and, if applicable, (d) fulfils the requirements of Article 22.2 (Investment Disputes in Financial Services).

4. The disputing parties may establish rules relating to expenses to be incurred by the tribunal, including arbitrators' remuneration. If the disputing parties do not agree on the remuneration of the arbitrators before the tribunal is constituted, reference should be made to the prevailing rate for arbitrators published by the International Centre for Settlement of Investment Disputes.

ARTICLE 26

Conduct of the Arbitration

1. The disputing parties may agree on the place of any arbitration under the arbitration rules applicable under Article 21.4 (Submission of a Claim to Arbitration). If the disputing parties fail to reach agreement on the place of arbitration, the tribunal shall determine the place in accordance with the applicable arbitration rules, provided that the place shall be in the territory of a party to the New York Convention.

2. The tribunal shall have the authority to accept and consider *amicus curiae* written submissions that may assist the tribunal in evaluating the submissions and arguments of the disputing parties from a person or entity that is not a disputing party (the "submitter"). Each submission shall be provided in English, and shall identify the submitter and any Party, other government, person, or organisation, other than the submitter, that has provided, or will provide, any financial or other assistance in preparing the submission. Where such submissions are admitted by the tribunal, the tribunal shall provide to the disputing parties a reasonable opportunity to respond to such submissions.

3. Without prejudice to a tribunal's authority to address other objections as a preliminary question, such as an objection that an investment dispute is not within the jurisdiction or the competence of the tribunal, a tribunal shall address and decide as a preliminary question any objection by the respondent that the claim is manifestly without legal merit.

- (a) Such objection shall be submitted to the tribunal as soon as possible after the tribunal is constituted, and in no event later than the date the tribunal fixes for the respondent to submit its counter-memorial or, in the case of an amendment to the notice of arbitration referred to in Article 21.5 (Submission of a Claim to Arbitration), the date the tribunal fixes for the respondent to submit its response to the amendment.
- (b) On receipt of an objection under this paragraph, the tribunal shall suspend any proceedings on the merits, establish a schedule for considering the objection consistent with any schedule it has established for considering any other preliminary question, and issue a decision or award on the objection, stating the grounds therefor.
- (c) The respondent does not waive any objection as to the jurisdiction or competence of the tribunal or any argument on the merits merely because the respondent did or did not raise an objection under this paragraph or make use of the expedited procedure set out in the following paragraph.

4. In the event that the respondent so requests within 45 days after the tribunal is constituted, the tribunal shall decide on an expedited basis an objection by the respondent that the claim is manifestly without legal merit or any objection that the claim is not within the tribunal's jurisdiction or competence. The tribunal shall suspend any proceedings on the merits and issue a decision or award on the objection(s), stating the grounds therefor, no later than 150 days after the date of the request. However, if a disputing party requests a hearing, the tribunal may take an additional 30 days to issue the

decision or award. Regardless of whether a hearing is requested, a tribunal may, on a showing of extraordinary cause, delay issuing its decision or award by an additional period of time, which may not exceed 30 days.

5. When it decides a respondent's objection under paragraph 3 or 4, the tribunal may, if warranted, award to the prevailing disputing party reasonable costs and attorneys' fees incurred in submitting or opposing the objection. In determining whether such an award is warranted, the tribunal shall consider whether either the claimant's claim or the respondent's objection is frivolous, and shall provide the disputing parties a reasonable opportunity to comment.

6. For greater certainty, a claimant has the burden of proving all elements of its claim, consistent with general principles of international law applicable to international arbitration, including, in the case of a claim of a breach of Article 6 (Minimum Standard of Treatment), that the respondent has breached a general and consistent practice of States that they follow from a sense of legal obligation.

7. A respondent may not assert as a defence, counterclaim, right of set-off, or otherwise that the claimant has received or will receive indemnification or other compensation for all or part of the alleged loss or damages pursuant to an insurance or guarantee contract.

8. A tribunal may order an interim measure of protection to preserve the rights of a disputing party, or to ensure that the tribunal's jurisdiction is made fully effective, including an order to preserve evidence in the possession or control of a disputing party, or to protect the tribunal's jurisdiction. A tribunal may not order attachment or enjoin the application of a measure alleged to constitute a breach referred to in Article 21 (Submission of a Claim to Arbitration). For the purposes of this paragraph, an order includes a recommendation.

9. At the request of a disputing party, a tribunal shall, before issuing an award on liability, transmit its proposed award to the disputing parties and to the non-disputing

Party. Within 60 days after the tribunal transmits its proposed award, only the disputing parties may submit written comments to the tribunal concerning any aspect of its proposed award. The tribunal shall consider any such comments and issue its award not later than 45 days after the expiration of the 60 day comment period.

ARTICLE 27

The Non-Disputing Party

1. No later than 30 days after the date that such documents have been delivered to the respondent, the respondent shall deliver to the non-disputing Party a copy of:
 - (a) the notice of intent;
 - (b) the notice of arbitration;
 - (c) pleadings, memorials, and briefs submitted to the tribunal by a disputing party and any written submissions submitted pursuant to Article 26.2 and 26.3 (Conduct of the Arbitration) and Article 31 (Consolidation);
 - (d) minutes or transcripts of hearings of the tribunal, where available;
 - (e) orders, awards, and decisions of the tribunal; and
 - (f) any other document submitted to the tribunal, including redacted versions of confidential documents submitted in accordance with Article 28 (Transparency of Arbitral Proceedings).
2. On written notice to the disputing parties, the non-disputing Party may make a submission to a tribunal on any question of interpretation of this Agreement.
3. The non-disputing Party receiving confidential information pursuant to paragraph 1 shall treat the information as if it were a disputing party.

ARTICLE 28

Transparency of Arbitral Proceedings

1. Subject to paragraphs 2 and 4, the respondent shall, after receiving the following documents, make them available to the public at their cost:
 - (a) the notice of intent ;
 - (b) the notice of arbitration ;
 - (c) pleadings, memorials, and briefs submitted to the tribunal by a disputing party and any written submissions submitted pursuant to Article 26.2 and 26.3 (Conduct of the Arbitration), Article 27.2 (The Non-Disputing Party) and Article 31 (Consolidation);
 - (d) minutes or transcripts of hearings of the tribunal, where available; and
 - (e) orders, awards, and decisions of the tribunal.

2. The tribunal shall conduct hearings open to the public and shall determine, in consultation with the disputing parties, the appropriate logistical arrangements. However, any disputing party that intends to use information designated as confidential information in a hearing shall so advise the tribunal. The tribunal shall make appropriate arrangements to protect the information from disclosure including closing the hearing for the duration of any discussion of such information.

3. Nothing in this Section shall require a respondent to:
 - (a) disclose confidential information, or information which, if disclosed, would impede law enforcement; or
 - (b) furnish or allow access to information that it may withhold in accordance with Article 18 (Exceptions).

4. If confidential information is submitted to the tribunal, it shall be protected from disclosure in accordance with the following procedures:

- (a) subject to subparagraph (d), neither the disputing parties nor the tribunal shall disclose to the non-disputing Party or to the public any confidential information where the disputing party that provided the information clearly designates it in accordance with subparagraph (b);
- (b) any disputing party claiming that certain information constitutes confidential information shall clearly designate the information at the time it is submitted to the tribunal;
- (c) a disputing party shall, at the same time that it submits a document containing information claimed to be confidential information, submit a redacted version of the document that does not contain the information. Only the redacted version shall be made public in accordance with paragraph 1; and
- (d) the tribunal shall decide any objection regarding the designation of information claimed to be confidential information. If the tribunal determines that such information was not properly designated, the disputing party that submitted the information may:
 - (i) withdraw all or part of its submission containing such information;
or
 - (ii) agree to resubmit complete and redacted documents with corrected designations in accordance with the tribunal's determination and subparagraph (c).

In either case, the other disputing party shall, whenever necessary, resubmit complete and redacted documents which either remove the information withdrawn under subparagraph

(d)(i) by the disputing party that first submitted the information or redesignate the information consistent with the designation under subparagraph (d)(ii) of the disputing party that first submitted the information.

5. A disputing party may disclose to other persons in connection with the arbitral proceedings such documents as it considers necessary for the preparation of its case, but it shall require that any confidential information in such documents be protected.

6. Nothing in this Section authorises a respondent to withhold from the public information required to be disclosed by its law.

ARTICLE 29

Governing Law

1. Subject to paragraph 2, when a claim is submitted to arbitration under Article 21.1(a) or 21.1(b) (Submission of a Claim to Arbitration), the tribunal shall decide the issues in the investment dispute in accordance with this Agreement and applicable rules of international law.

2. A joint interpretation of the Parties of a provision of this Agreement shall be binding on a tribunal established under this Section, and any award must be consistent with that joint interpretation.

3. On the request of a respondent that asserts as a defence that the measure alleged to be a breach is covered by Article 17.1 (Non-Conforming Measures), Annex II (Reservations), or Annex III (Exceptions from Non-discriminatory Treatment as Compared with a Non-Party's Investors), the tribunal shall request the joint interpretation of the Parties on the issue. Within 90 days after the delivery of the request, the Parties shall submit in writing their joint interpretation to the tribunal. If the Parties fail to submit

their joint interpretation within 90 days after the tribunal's request, the tribunal shall decide the issue.

ARTICLE 30

Expert Reports

Without prejudice to the appointment of other kinds of experts where authorised by the applicable arbitration rules, a tribunal, at the request of a disputing party or, unless the disputing parties disapprove, on its own initiative, may appoint one or more experts to report to it in writing on any factual issue concerning environmental, health, safety or other scientific matters raised by a disputing party in a proceeding, subject to such terms and conditions as the disputing parties may agree.

ARTICLE 31

Consolidation

1. Where two or more claims have been submitted separately to arbitration under Article 21.1 (Submission of a Claim to Arbitration) and the claims have a question of law or fact in common and arise out of the same events or circumstances, any disputing party may seek a consolidation order with the agreement of all the disputing parties sought to be covered by the order or in accordance with this Article.

2. A disputing party that seeks a consolidation order under this Article shall deliver, in writing, a request to the Secretary-General and to all the disputing parties sought to be covered by the order, and shall specify in the request:

- (a) the names and addresses of all the disputing parties sought to be covered by the order;
- (b) the nature of the order sought; and
- (c) the grounds on which the order is sought.

3. Unless the Secretary-General finds within 30 days after receiving a request under paragraph 2 that the request is manifestly unfounded, a tribunal shall be established under this Article.

4. Subject to paragraph 5, unless all the disputing parties sought to be covered by the order otherwise agree, a tribunal established under this Article shall be constituted in accordance with Article 25 (Selection of Arbitrators) except that, for the purpose of Article 25.1 (Selection of Arbitrators), the claimants shall appoint a single arbitrator by agreement.

5. If, within 60 days after the Secretary-General receives a request made under paragraph 2, the respondent fails or the claimants fail to appoint an arbitrator in accordance with paragraph 4, the Secretary-General may be requested by any disputing party sought to be covered by the order, to appoint the arbitrator or arbitrators not yet appointed. If the respondent fails to appoint an arbitrator, the arbitrator to be appointed by the Secretary-General may be a natural person of the respondent, and if the claimants fail to appoint an arbitrator, the arbitrator to be appointed by the Secretary-General may be a natural person of the non-disputing Party.

6. Where a tribunal established under this Article is satisfied that two or more claims that have been submitted to arbitration under Article 21.1 (Submission of a Claim to Arbitration) have a question of law or fact in common, and arise out of the same events or

circumstances, the tribunal may, in the interest of fair and efficient resolution of the investment disputes, and after hearing the disputing parties, by order:

- (a) assume jurisdiction over, and hear and determine together, all or part of the claims;
- (b) assume jurisdiction over, and hear and determine one or more of the claims, the determination of which it believes would assist in the resolution of the other investment disputes; or
- (c) instruct a tribunal previously established under Article 25 (Selection of Arbitrators) to assume jurisdiction over, and hear and determine together, all or part of the claims, provided that:
 - (i) that tribunal, at the request of any claimant not previously a disputing party before that tribunal, shall be reconstituted with its original members, except that the arbitrator for the claimants shall be appointed pursuant to paragraphs 4 and 5; and
 - (ii) that tribunal shall decide whether any prior hearing shall be repeated.

7. Where a tribunal has been established under this Article, a claimant that has submitted a claim to arbitration under Article 21.1 (Submission of a Claim to Arbitration) and that has not been named in a request made under paragraph 2 may make a written request to the tribunal that it be included in any order made under paragraph 6, and shall specify in the request:

- (a) the name and address of the claimant;

- (b) the nature of the order sought; and
- (c) the grounds on which the order is sought.

The claimant shall deliver a copy of its request to the Secretary-General.

8. A tribunal established under this Article shall conduct its proceedings in accordance with this Section.

 - (i) the economic impact of the measure or the series of measures, although the sole fact that a measure or a series of measures by a Party has an adverse effect on the economic value of an investment does not establish that an indirect expropriation has occurred,
 - (ii) the extent to which the measure or the series of measures interferes with distinct, reasonable investment-backed expectations¹², and

¹² For greater certainty, whether an investor's investment-backed expectations are reasonable depends, to the extent relevant, on factors such as whether the government provided the investor with binding written

(iii) the character of the measure or the series of measures.

(b) Except in rare circumstances, such as when a measure or a series of measures is so severe in the light of its purpose that it cannot be reasonably viewed as having been adopted and applied in good faith, a non-discriminatory measure by a Party that is designed and applied to protect legitimate public welfare objectives, such as health, safety and the environment, does not constitute an indirect expropriation.
